Thanks to all for your participation & support pport I have a ger neric sp read sheet made for 4 matches each day so the numbers or ers on this do not match the numbers you saw on the bulletin at the range. When we do this again we will skip the team match and go direct to the BBQ so the non team shooters don't have to hang around for 90 minutes. North Star will most likely host 2 MRP/F CLASS events in 14 and 2 OTC matches. All will be 2 day tournaments. MRP will most likely be the 3-5-600 MRP course 1 day and a 4 gun 600 the other. Have a dandy winter and we hope to see you in 2014. Bob Peasley dilligas@lonstel.com 507-363-0011
