

Tired of winter?

Miss the Burnsville Bullseye league?

Need to get ready for outdoor Bullseye?

Just want to pull the trigger?

Bill's North in Circle Pines has Bullseye every Monday!!! <http://billsqs.com>

- * It is every Monday at 4pm
- * 90 shot....900 match
- * They shoot both at 50 yards and 25 yards.
- * There are 8 lanes.
- * All targets are shot, then scored in the lounge after.
- * Shooting takes less than 1 hour.
- * Mark Catlin tracks the scores
- * There is no posted schedule online (other than this)
- * Currently there is only a 4pm relay, but Bill's is willing to schedule more relays as the demand requires.
- * Additional relays could be scheduled on the hour
- * They are open to moving the current one to a later time to accommodate demand.
- * The cost is \$13.50 per relay. This includes targets and range time.
- * It is primarily a rimfire league....but some people shoot centerfire for practice.
- * There is no picking up of brass, it hits the floor, it's Bills.
- * Bill's will attempt to accommodate needs, schedules, etc.

Shooters will like the facility, the flexibility of the range staff, and the friendly, informal atmosphere.

Questions?

Contact Mark Catlin (coordinator) mgc@bitstream.net,
or Clay Brisbin (Store Manager) cbrisbin@billsqs.com.

OR..... just show up and shoot!
