- Go 1 mile north on 19 to County 10 (10th Street).
- Go east (right) on 10 about 200 yards. The club entrance is on the left (north) side of the road and clearly marked.

## **The Clinic will include the following:**

- Classroom
- History of Bullseye, firearms, equipment and accessories
- Course of fire, commands and alibis
- Stance, position, grip, breath control, sight alignment, trigger control.
- Scoring
- To the range for a 22 cal National Match Course (10 rounds slow fire at 50 yards, 10 rounds timed fire at 25 yards, 10 rounds rapid fire at 25 yards).....one new shooter and their coach at each firing point, only the new shooters shoot....bring your own equipment, or shoot with your coaches equipment.
- Back to the classroom
- Comfort, clothing
- Mental preparation and psychology of shooting
- Target analysis
- Difference in shooting the 45 ACP and the 22
- To the range for a 45 ACP National Match Course (10 rounds slow fire at 50 yards, 10 rounds timed fire at 25 yards, 10 rounds rapid fire at 25 yards).....one new shooter and their coach at each firing point, only the new shooters shoot. ....bring your own equipment, or shoot with your coaches equipment.
- Back to the classroom, talk about the summer match schedule

The focus will be on new shooters....we ask that an experienced shooter bring a new shooter to "coach".....if new shooters sign up alone, will assign a coach to them.

Please email an RSVP so we know how many are coming.....but if you do not email an RSVP, come anyway!!
