Again a very close race between Erhard and Lance. There was a scoring error, i.e. addition error, in the tally sheet which was caught by yours truly and once again, Erhard came out ahead. By one point!!!

Arnie Olsen shot very very well and finished in strong position.

We had a new shooter, Andy Lindberg, who with a loaned pistol, shoot very tight groups, and once he learned the idiosyncrasies of Toz sights, was scoring very well. Welcome aboard Andy.
