Highlight of the Day!!!

Steve Studt scored a 505 and thereby joins the "500 Club". Congratulations to you Steve for this as you now join Erhard, Lance, and Mark as a member of that elite shooter roster. Well Done.

I am hoping to see others join that group*.

As a side note, we have gotten permission to use the MRC smallbore range year around hence we will be having matches on the third Saturday of each month year around from this point on. This is thanks to Tom O'Donnell for the furnace work and George Minerich for shepharding the project.

* 500 Club Members thus far based on highest 2010 score thusfar this year are Erhard Bruderer with a 535, Lance Peters with a 526, Mark Vangsgard with a 506, and now Steve Studt with a 505. I am waiting for Tom, and Bob to join that group in the near future.
