<u>Shooter</u>	<u>Series</u>			<u>Sum</u>
James Reedstrom	163	131	146	440
Joel Peabody	137	134	144	415
Mike Marzitelli	119	146	127	392

It was a beautiful day for shooting. Attendance was low due to commitments elsewhere. Interestingly during the sighter period, all shot outstandingly but once the match progressed into the first series, only Jim continued to shoot well with Mike and Joel scattering shots. For Mike, failing to maintain consistent grip along with wrist break played havoc with score. I suspect he has too many pistols that he uses alternatively to become really consistent with one. Tsk, Tsk. Tis indeed a psychological game.

We are about to schedule events for next year. I will be sending a letter to determine interests for the next shooting season.

Remember the State Championship is in [October 15th](#) at MRC. Jim has designed and ordered 10 t shirts to commemorate the event. First come first serve.
