It actually was a beautiful day for shooting. There was a very light wind and the temperature was warm but nice. There was a bit of a sprinkle of rain in the beginning of the match but nothing of consequence. Congratulations go to Brian Shiffman for his personal best. Hooray for Brian!! Marzitelli blew his first series. He has too many pistols and is constantly changing pistols. Not Good. Just the setting up of one pistol and becoming acclimatized to it takes too much time. Maybe he will stop doing so and just settle down and stay with the Matchgun.

Reminder, the State Championship will be the third Saturday in September.
