We had 21 shooters with 17 non-distinguished on a wet soggy Saturday.

The morning clinic/practice match was canceled because of rain. There was about an hour delay at 200 yards when the rain started up again. We finished the match just before 14:00.

Two Legs were awarded.

The weather broke on day 2 of the Weekend Spectacular with a light morning mist burning off just in time for the 9:00 start time. We had 23 shooters with 17 non-distinguished. Skies stayed overcast all day with varying amounts of light. The match ran smoothly and was over by 13:00.

Two Legs were awarded.

Thank you to everyone who braved the weather to come out and compete. And a big thank you to Chris Stoops who gave up his weekend to volunteer at the matches.

Look for the next Weekend Spectacular Next August.
