

2021 MN State Airgun Championship Results

After missing last year's Minnesota State Airgun Championship due COVID-19 complications, it was great to see the competitors return this year! On December 18, 2021 the Minnesota Centershots Junior Rifle Club hosted the 2021 match at the Anoka American Legion Post 102.

Among the Twenty-four competitors, six competitors were air pistol including one junior, and two chose to shoot in both the air rifle and air pistol disciplines as well. Of the 18 air rifle competitors, two were senior (SR) class, one open, five in age class U18, leaving the remaining ten in the U15 age class of which three were tyro class and firing in their first ever match! It was a wide range of ages and skill levels all together sharing the same range and relays.

The day consisted of four mixed relays on ten firing points. This year, the Megalink Electronic Scoring system was introduced to the competition along with the ISSF Rulebook for a new experience for many competitors in Minnesota including decimal scoring. There was only a brief intro for using the monitors and the electronic system for each competitor, and the matches were under way. The competitors enjoyed the interactive results, and took home individual print-outs of their match to analyze and reflect on at home.

Thank you to all that attended and I hope you enjoyed your match. Here are the top finishers from the match, you can find the full results on the MRRA Web page. Full results can be found below.
