Alcohol consumption is allowed only in the parking lot behind 600 and in the camp ground. **NOTE: This does not prohibit practice after the match for those not consuming.**

SQUADDING: Some effort will be made to squad high masters on the same relay keeping in mind that the numbers may not work out that way. Advance entry with payment will be given priority.

AWARD SCHEDULE: This tournament is intended to be a fun approved tournament with low entry fees and therefore low awards. We are doing Lewis class awards for only the daily and 2 day aggregates using the Lewis Class system. If you are not familiar with Lewis class it works like this. We will rank scores from high to low and every 4th place each will win \$5.00 and every 4th place in the 2 day agg will win \$5.00. That's it, your classification is irrelevant and there are no class awards. We are trying something new hoping to attract more shooters with lower fees and more luck than skill with the awards. And **LESS** work for me! **ENTRY FORM ATTACHED**
